SOUTH CAROLINA
DOCKET NO. 2005-377-T - ORDER NO. 2006-98
FEBRUARY 15, 2006

IN RE: Application of Bill Sanders Moving, Inc.,)	ORDER APPROVING
4200 Highway 81 North, Anderson, South)	RATE INCREASE
Carolina 29621 (District 3) for a Proposed)	
Rate Increase.)	

This matter comes before the Public Service Commission of South Carolina (the Commission) on the Application of Bill Sanders Moving, Inc. (Sanders Moving, the Applicant, or the Company) whereby the Applicant seeks approval of an increase in certain rates of the Company.

Upon receipt of Sanders Moving's Application, the Commission's Docketing Department instructed the Applicant to publish, one time, a Notice of Filing in newspapers of general circulation in the areas of the state affected by the Application. The purpose of the Notice of Filing was to inform interested parties of the Application of Sanders Moving and of the manner and time in which to file the appropriate pleadings for participation in the proceeding. The Applicant complied with this instruction and provided the Commission with proof of publication of the Notice of Filing. No Protests or Petitions to Intervene were received.

The Office of Regulatory Staff (ORS) investigated Sanders Moving's request. On January 31, 2006, the ORS filed its investigation report with the Commission, and as a

result of its inquiry, ORS advises that it has no objection to this matter proceeding before the Commission.

ORS notes in its report that the Company was granted a Class E Certificate on March 28, 2001, to transport household goods between points and places in South Carolina. According to the ORS, if the proposed increase is granted by the Commission, it will provide additional revenues of \$29,952 and change the Company's operating ratio from 90% to 88%.

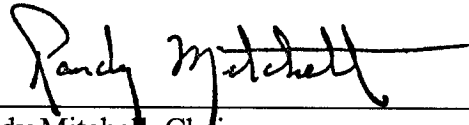

Based upon a thorough review of the matters asserted in the instant Application and since there is no objection by ORS to the proposed rate increase, the Commission is of the opinion that the proposed rate increase sought by the Applicant should be approved as filed, and find the rate increase as just and reasonable.

IT IS THEREFORE ORDERED:

1. That the relief sought in the Application of Bill Sanders Moving, Inc. for an increase in certain rates of the Company be, and hereby is, approved.
2. That the Company shall file tariff amendments reflecting the rate changes with the Office of Regulatory Staff within ten (10) days of its receipt of this Order.
3. That failure of the Applicant to file or cause to be filed with the Office of Regulatory Staff tariff amendments reflecting the rate changes within ten (10) days from receipt of this Order shall result in the authorization approved in the Order being revoked.

4. That this Order shall remain in full force and effect until further Order of the Commission.
